MONTHLY REPORT
August 2016**

CODE ENFORCEMENT

A copy of the monthly report for permit activity is on file in the Town Clerk's office.

Activity in permits has continued to be busy, three new homes received a C of O this month, two permits were just issued for new home to be built in the next few months, two more are under way and should be completed soon. That will be seven new homes in our community in 2016

ASSESSOR

I will be attending two Assessor courses this month. Jim Basile will be giving a two day course on appraisal in Lake Pleasant September 15 and 16 for Hamilton County Assessors. The second course is a required elective for NYS on farm appraisal I will be attending that the week of September 25, it is a five day course. I would have preferred one of the other elective courses Forestry or Commercial but they have not been offered in the last few years, one of these three courses was required for my certification by 2017.

The school tax bills have been received a few people have had their STAR exemptions removed by the State because they are only allowed to receive it on their primary residence and only one residence is allowed the exemption. If anyone has questions or concerns please call me.

Respectfully submitted,

Aimee VanWie

Inlet Parks Department Report for August 2016

Mitch Lee, Parks Department Supervisor

1. With a small amount of Bear activity in the park at the end of August we pulled about half of the trash containers.
2. Work on the Rest Room Changing rooms commenced with help from the Highway Department for the frame up and truss lay in. The new roof is in place and finished and the grubbing for concrete is complete.
3. A new roof was placed on the playground side dug out as the shingles had deteriorated due to children on the roof.
4. The paver project continues as each order comes in. New edging material has also come in.
5. Preparations for the Fall Festival have already started, with decorations and moving of Tables and trash containers.
6. Some trees that came down in the August storm were removed from the Fern Park trail system.

1. The Inlet Lamp Lighter is still on hold.
2. Balance in Petty Cash on September 30th was \$47.14.
3. From April 1, 2016 to September 30, 2016 this office has processed 3 snowmobile permits for the 2016/17 season.
4. During the 2015 "Arts in the Park," \$3,240 was collected from 38 vendors reserving 40.5 spaces for the 2016 show. From January 1st, until July 15th this office collected an additional \$2,515 from 31 vendors for "Arts in the Park". Two refunds of \$80 each were given. During this year's event, \$3,080 was collected from 36 vendors to reserve 38 ½ spaces in the 2017 show. Since January 1st \$3,680 has been collected from 61 vendors for Fall Festival. One refund of \$50 has been given. Applications and a list of vendors for Fall Festival can be found at www.inletfallfestival.com.
5. The IABA will be meeting (possibly September 27) and plan to hold a social in October. 9. The last concert in the summer series is on September 3. Complications made the last two concerts interesting, but ended up fine. Fritz Henry filled in for The Jam Bones on August 27, and I was able to get Gwen Tracy to play on September 3 after two youth groups both became unable to perform. In addition to the DEC grant money received, the CAA, The Wine Shop, Adirondack Reader, French Louie ADK Sports, Stiefvater's Cottages and Eugene Melnyczuk all contributed towards this year's concert series. I have begun scheduling bands for the 2017 series and will be again applying for a DEC grant – application is due October 24.
