LWRP

Bruce O'Hara stated that the Town has asked for an extension to continue with plans for the casino building in Arrowhead Park, but has not heard back yet. The town is hoping to be able to have the building built by Town of Inlet employees. He also reported that the changing rooms in the bathhouse are complete, and work continues on the cottage roofs.

Codes & Zoning

The codes enforcement officer's report can be found online at www.townofinlet.org. Aimee VanWie stated that her office is getting busier as the weather warms up.

Fern Park

The next meeting of the Fern Park Master Plan Committee will be May 15, 2018 at 7:00 p.m. Regular meetings of this group have been set for the third Tuesday of the month. They are looking at an online way to distribute the survey and are hoping to have a newer map board in place before summer. Anyone interested is welcome to attend meetings. They are still in need of a secretary. Notes and working documents from this committee can be found at www.townofinlet.org under Projects.

Conferences

Amanda Miller stated that the New York Planning Federation's Annual Conference in Bolton Landing was worth attending with topics on Air B&B's and food trucks that she found useful. The rest of the board had attended the Adirondack Park Agency's Local Government Day in Lake Placid and also thought the event was worth attending with new material as well.

Town Comprehensive Master Plan

With recommendations made by Linda Raymond, this board reviewed the Overview section of the Town of Inlet's Master Plan and made some edits. The board will continue reviewing the plan at the next regular meeting.

All business having come before this board, the meeting adjourned at 8:26 p.m. with a motion offered by Greg Clark, seconded by Lynn Durkin.

Respectfully submitted,

Adele M. Burnett
