The meeting was called to order at 7:06 p.m.

Minutes

On a motion offered by Bruce O'Hara, seconded by Linda Raymond, the minutes of the November 28, 2018 meeting were approved, all in favor.

Correspondence

Dave Scranton announced that the most recent edition of Towns and Topics is available to members and may be picked up this evening.

LWRP

Bruce O'Hara announced that there has been no news from the State regarding the request for an extension on the expiration date of the grant.

Codes & Zoning

Aimee VanWie stated that there has been quite a lot of action for November, which is typically a slow month. Dave Scranton reviewed her report of permits issued.

Fern Park

The committee met last night and discussed many of the items referenced in the Town Comprehensive Master Plan. Dave Scranton announced that it is hoped that the Town will match the expected donation from the Black Fly Challenge event. Also, the proposed map will be sent to the consultant next month.

Town Comprehensive Master Plan

Each member present was given the opportunity to report on their assigned segment/department of the plan. Everyone reported at least touching base with the person in charge of their assignment. In some cases, it appears that it may take some time to get the needed information.

Appointments/Reappointments

Dave Scranton stated that he will be checking with Adele regarding which office needs reappointing in January: Chair or Vice Chair, since these positions alternate years to avoid vacating both in the same year.

All business having come before this board, the meeting adjourned at 7:25 p.m. with a motion offered by Linda Raymond and seconded by Bruce O'Hara.

Respectfully submitted,

Margaret M. O'Hara (for Adele Burnett)
