101 *Welcome Message*

We would like to welcome you and congratulate you on your appointment to a position with the Town of Inlet. As a part of our team, you take on an extremely important role, that of serving the members of our community. Together, our mission is to provide cost-effective services that conform to the highest standards of quality.

We trust that you will find service with the Town of Inlet rewarding both personally and professionally.

102 *Our Heritage*

The Town of Inlet was settled around 1870 and became a town in 1902. The first official building in the Town was a small structure Fred Hess built in 1882 to house himself and a worker during the building of Hess Inn. Fred had hunted and guided the Fulton Chain since the 1860's and had previously built a shanty on Cedar Island to care for a sick friend. This became a permanent hostelry in 1880 when the dwelling expanded to become Cedar Island House, catering to traveling hunters and fishermen.

As traveling increased in the area, Fred built a sawmill and cleared sites in Eagle Bay and the former Rocky Point. He used the timber to build Hess Inn (later the Arrowhead), Hess Camp (later the Wood Hotel), the house on Dollar Island, which still stands, and the dam at Sixth Lake.

Fred was in a group that dispatched the last native wolf in 1877. He loved the woods, but disliked business details. He left all behind in 1899 to live in Maine but returned in 1923 and continued to trap the Moose River until age 84. Hess Pond on the west shore of Sixth Lake is named in his memory.

- **Competitive** – those positions for which it is practicable to determine merit and fitness by competitive examination;

Competitive Class – In accordance with Civil Service Law, the following types of appointments may be made to positions in the Competitive Class:

- **Permanent** – an appointment to a vacant position in the Competitive Class from an eligible list established as a result of examination, following successful completion of a probationary term;

A provisional appointee must take an examination whenever it is scheduled. Thereafter, a permanent appointment will be made on the basis of the eligible list resulting from the examination; or

Promotions – The Town will offer opportunities for advancement for those employees who qualify. In the event the position is in the Competitive Class, a qualified employee must normally take a promotional examination and the above "one of three" rule will apply. Purpose of Probationary Period – The purpose of the probationary period is for an employee to become familiar with the specific duties and responsibilities of the employee's new position. The probationary period also provides the Department Head with an opportunity to evaluate the employee's job performance and potential for development in the position.

Length of Probationary Period – Except as otherwise provided in the *Rules for the Classified Civil Service of Hamilton County*, every permanent appointment from an open competitive list and every original appointment to a position in the non-competitive, exempt or labor class shall be for a probationary term of not less than eight nor more than twenty-six weeks. The length of the probationary period may be extended in accordance with the *Rules for the Classified Civil Service of Hamilton County*.

Successful Completion of Probationary Period – An employee's appointment will become permanent upon written notice that the probationary period has been successfully completed following the minimum period of service required. Or, the employee's appointment will become permanent upon the retention of the employee after completion of the maximum period of service required. **Except as otherwise provided by law, completion of the probationary period does not necessarily confer rights or privileges in the position.**

Failure to Successfully Complete Probationary Period – In the event the employee's performance or conduct is not satisfactory, the Town may dismiss the employee from employment at any time after the completion of the minimum probationary period and before completion of the maximum probationary period. If the performance or conduct of an employee serving a probationary period who has been promoted or transferred from a permanent appointment (as defined by civil service regulations) is not satisfactory, the employee shall be returned to the employee's former permanent position prior to the end of the probationary period.

404 New Employee Orientation

Procedure – The purpose of the new employee orientation is to welcome new employees and to familiarize them with the Town and their job. The orientation process generally consists of, but is not limited to, a tour of the employee's assigned worksite, distribution and review of this employee handbook, and enrollment in benefit plans, if applicable. In addition, the employee's Department Head is responsible for introducing the employee to co-workers, scheduling on-the-job training, and reviewing the job description and performance requirements of the position.

405 Performance Appraisal

Statement of Purpose – The purpose of a performance appraisal is to evaluate employee performance. The performance appraisal will take into consideration criteria that properly reflects the employee's performance including, but not limited to, the employee's work quality, job knowledge, initiative, attendance, teamwork, conduct, and communication skills. The employee's performance appraisal may be considered in determining a pay increase and/or as a factor in promotion or disciplinary action.

Frequency – An employee will be formally evaluated prior to completion of a probationary period and at least once each year thereafter on a date determined by the employee's Department Head. Informal evaluations will occur on an as needed basis throughout the performance cycle.

Appraisal Meeting – The evaluator will meet with the employee to review the employee's performance appraisal report.

Deficiencies – Should deficiencies be recorded in the performance of the employee, the employee will receive written recommendations for improvement.

Employee Comments – An employee's written comments, if any, will be included with the performance appraisal report.

406 **Corrective Action and Discipline**

Policy Statement – It is the policy of the Town of Inlet that certain rules and regulations regarding employee behavior are necessary for the benefit and safety of all employees, the efficient operation of the Town, and the delivery of services to residents of the Town. Any conduct that interferes with operations or that discredits the Town will not be tolerated. Each employee must conduct oneself in a positive manner so as to promote the best interests of the Town. Corrective action is necessary when an employee has demonstrated performance deficiencies, or has violated a policy, rule, regulation, or procedure. Corrective action may include counseling or initiating formal disciplinary action against an employee.

Communication – Open and candid communications with all employees is an important aspect of the Town of Inlet's on-going employee relations. When a rule, policy, or procedure is violated, the employee's Department Head, or other designated supervisor, will review the specific nature of the violation with the employee. The employee's input is extremely important to ensure that all of the facts have been considered.

Counseling – Counseling employees, as opposed to initiating formal disciplinary action, may be the appropriate first step in addressing performance deficiencies or misconduct. The purpose of counseling is to inform the employee of such deficiencies or misconduct, discourage its recurrence, and inform the employee of the consequences if the behavior is repeated. When performance deficiencies are the issue, the performance standards of the job should be reviewed, along with specific examples of how the employee is not meeting those standards. Where appropriate, goals for improvement may be established, along with a time frame for achieving them. The counseling will be documented in writing and the employee will be required to acknowledge receipt by signing the memorandum. Any employee who fails to follow a supervisor's directive to sign the counseling memorandum to acknowledge receipt will be subject to disciplinary action.

Discipline – The purpose of disciplinary action is to impose penalties for performance deficiencies or misconduct. In **normal circumstances**, the Town endorses a policy of progressive discipline which includes, but may not be limited to, documented verbal reprimand, letters of reprimand, suspension without pay, or termination of employment, depending on the circumstances. The Town retains the right to discipline employees without engaging in progressive discipline or prior counseling if the situation so warrants and retains the right to discipline employees in any manner it sees fit.

Investigations – Where appropriate, an investigation will be conducted by the proper supervisor or other designated individual(s) in order to gather all pertinent information and to ensure that all the facts are considered. The investigation may include, among other things, interviews with the employee and any witnesses or other involved parties, and review of documents and materials. Employees who are participants in an investigation are not allowed to disclose the content or particulars of the investigation unless otherwise authorized. All employees who are called upon to participate in an investigation are required to fully cooperate in the process and respond truthfully to all questions posed. Failure to do so will subject the employee to appropriate corrective action. The Town reserves the right to suspend an employee while an investigation is conducted.

Procedures – Employees covered by **Civil Service Law Section 75** shall be disciplined in accordance with the procedures contained therein. (Refer to Section 407 of this Employee Handbook).

Prohibited Conduct – Any employee who, after investigation, is found to have committed any of the actions listed below will be subject to corrective action, up to and including termination of employment. This list is illustrative only and does not limit the Town's right to impose discipline in other appropriate cases.

- Directing comments, or sharing images that are discriminatory or insensitive to any individual or group based on race, religion, gender, disability, sexual orientation, national origin, or any other characteristic protected by law.
- Knowingly making false or misleading statements about the Town, or its employees, services, or Elected Officials.
- Posting, uploading, or sharing images that have been taken while performing duties as an agent of the Town, or while wearing Town uniforms – the only exception to this rule is when it is directly pertinent to Town business and such posting, uploading, or sharing of images is authorized in advance by the appropriate Department Head.
- Representing that an opinion or statement is the policy or view of the Town, or of any individual acting in their capacity as a Town employee or official, or otherwise on behalf of the Town, when that is not the case.
- Posting anything in the name of the Town or in a manner that could reasonably be attributed to the Town without prior written authorization from the applicable Department Head.
- Using the name of the Town or a Town e-mail address in conjunction with a personal blog or Social Media account.

An employee's Social Media usage must comply with Village policies pertaining to but not limited to Non-Discrimination and Harassment, Confidentiality, Violence in the Workplace, and Substance Abuse. Any harassment, bullying, discrimination, or retaliation that would not be permissible in the workplace is not permissible between co-workers online, even if it is done after hours, outside of the workplace, using computers or communication systems that are not Town-owned.

Notwithstanding the above, nothing in this policy is meant to imply any restriction or diminishment of an employee's right to appropriately engage in protected concerted activity under law.

Reporting of Violations – Anyone with information as to a violation of this policy is to report said information to the appropriate Department Head. Once the Department Head is informed of the violation, a formal process, consistent with this Employee Handbook and/or applicable law, will begin.

Disciplinary Action – An employee who violates this policy will be subject to disciplinary action up to and including termination of employment.

513 Personal Appearance

Policy Statement – It is the policy of the Town that each employee’s dress, grooming and personal hygiene should be appropriate to the work situation.

Standards – An employee must maintain a personal appearance in a manner that reflects a good image to the public. Acceptable personal appearance is an ongoing requirement of employment with the Town. Radical departures from conventional dress or personal grooming and hygiene standards are not permitted. Employees should not wear suggestive attire, jeans, athletic clothing, shorts, sandals, T-shirts, novelty buttons, baseball hats, and similar items of casual attire since this clothing does not present a businesslike appearance.

Uniforms – All sworn personnel of the Police Department must wear uniforms which are provided and cleaned by the Town. Highway Department employees are issued two pair of pants and two shirts each, which the employee is responsible for cleaning. Employees in the Parks Department and Information Office are issued with two short sleeve “golf type” shirts, which the employee is responsible for cleaning. All uniforms and clothing remain the property of the Town and must be returned to the Town upon separation of employment or as directed by the responsible Department Head.

Safety Clothing and Equipment – An employee may be required to wear safety clothing and equipment as directed by the Department Head. If such is the case, the employee must comply with all safety requirements.

514 Solicitations/Distributions

Policy Statement – It is the policy of the Town to prohibit solicitation and distribution on its premises by non-employees and to permit solicitation and distribution by employees only as outlined below.

During Working Hours – An employee may not distribute literature or solicit other employees during working hours without approval from the appropriate Department Head.

During Meal and Rest Breaks – With permission from the Department Head, an employee may distribute literature and solicit other employees during meal and rest breaks provided it does not interfere with the normal operations of the department, reduce employee efficiency, annoy fellow employees, or pose a threat to the Town’s security.

515 Purchasing

Policy Statement – The Town has established an official procurement policy that must be followed without exception. No employee shall make purchases for the Town, or use the Town’s name to make purchases, unless so authorized by the Town Board and in adherence to the procedures set forth in the procurement policy.

516 Disclosure of Information

Policy Statement – The Town of Inlet promotes open government and complies with all requirements regarding public access to information. However, the Town recognizes that certain documents, records, and other information pertaining to Town operations and activities contain sensitive and confidential information about Town residents and others who do business with or on behalf of the Town and/or its residents. Such information cannot be photocopied, duplicated, discussed, or otherwise disclosed to any outside party except in accordance with the Freedom of Information Law or any other applicable laws and regulations. An employee is also prohibited from sharing or otherwise disclosing such information with other Town employees, family members or friends who do not have a Town business reason to have such information. This includes posting of such information in any public forum (computer or otherwise) or on computer social networking sites (Facebook, etc.)

Responsibility for Security of Confidential Information – Elected Officials, Department Heads and employees are responsible for maintaining the security of documents, records and other information that fall within their department operations. Any request from outside parties for disclosure of information under the Freedom of Information Law or any other applicable laws or regulations must be submitted to the Town Clerk.

Employee Personal Information - An employee should never provide a caller or visitor with confidential information regarding employees, including home addresses and personal telephone numbers. An employee should take the person's name and telephone number and inform the caller/visitor that a message will be forwarded to the employee.

517 Visitors

Policy Statement – It is the policy of the Town not to allow extended personal visits during working hours, except for emergency situations. Visitors are allowed for brief visits during an employee's meal break as long as such visit does not interfere with Town operations or interrupt other employees who are still working.

518 Maintenance of Work Area

Employee Responsibility – Every employee is responsible for maintaining one's work area in a neat, orderly and safe manner at all times.

519 Personal Property

Policy Statement – It is the policy of the Town to ask each employee to refrain from bringing unnecessary or inappropriate personal property to work. The Town recognizes that an employee may need to bring certain items to work. However, employees should take care to ensure that personal property brought to the workplace does not disrupt work or pose a safety risk to other employees.

Personal Liability – An employee is expected to exercise reasonable care to safeguard personal items brought to work. The Town will not repair, replace, or reimburse an employee for the damage or loss of the employee's personal property. An employee bringing personal property to the workplace does so at one's own risk.

Security Inspections – Desks, lockers and other storage devices may be provided for the convenience of employees but remain the sole property of the Town. Accordingly, such storage devices, as well as any articles found within them, can be inspected by any agent or representative of the Town at any time, with or without notice. The inspection may be made in the presence of the employee. The Town is not responsible for loss or damage to personal property placed in such storage devices.

520 Town Property

Employee Responsibility – An employee will be responsible for any item issued by the Town which is in the employee's possession and/or control, such as, but not limited to the following:

- Equipment, including Protective Equipment
- Identification Badges
- Computers
- Cell Phones
- Keys
- Uniforms
- Books or other Reference Materials, including this Employee Handbook

Return of Property – All Town property must be returned to the Town before the employee's last day of work.

521 Unauthorized Work

Policy Statement – An employee may not perform work for any entity other than the Town during the employee's authorized work hours, or claim that Town work was done when such is not the case. Employees must devote their full scheduled shift to Town business, as assigned.

522 Outside Employment

Policy Statement – It is the policy of the Town that an employee may engage in outside work as long as such outside work does not interfere with the employee's performance standards, pose an actual or potential conflict of interest, or compromise the interests of the Town.

Guidelines – The following guidelines have been established for an employee who engages in outside work.

- An employee will be judged by the same performance standards and will be subject to the Town's scheduling demands, regardless of any existing outside work requirements.
- If the Town determines that an employee's outside work interferes with the performance or the ability to meet the requirements of the Town as they are modified from time to time, the employee may be required to terminate the outside employment if the employee wishes to remain employed by the Town.
- No Town equipment, supplies, or other material may be used by an employee on other than Town work.
- Outside employment that does or may constitute a conflict of interest is prohibited. An employee may not receive any income or material gain from individuals outside of the Town for materials produced or services rendered while performing the employee's Town job.
- An employee may not work on outside employment during any period which the employee is regularly scheduled to work for and is paid by the Town.
- A Town employee who engages in outside work must notify the person for whom the work is being performed that such work is being done on the employee's own time and that the employee is not representing the Town while performing such work.

Employee Responsibility – A Town employee who wishes to engage in outside work is responsible for ensuring that the above guidelines are maintained. Questions should be directed to the applicable Department Head.

600 ABSENCE POLICIES

601 Attendance

Tardiness – An employee must be ready and able to work at the time the employee is scheduled to begin work. In the event an employee is unable to report to work at the scheduled time, the employee must notify the employee's Department Head at least fifteen minutes before the employee's scheduled starting time. The reason for tardiness and the expected time of arrival must be indicated to the Department Head.

Daily Notification – In the event an employee is unable to report to work, the employee must notify the employee's Department Head each day of the absence and state the reason for the absence. In the event the absence was pre-authorized, this requirement will be waived.

Scheduled Absences – Requests for scheduled time off, such as the use of vacation leave and personal leave, must be approved by the Department Head in advance. All requests for time off are subject to approval by the employee's Department Head on a case-by-case basis. Refer to Section 802, Vacation Leave, and Section 804, Personal Leave, for further details.

Unscheduled Absences – An employee who is unable to report to work must personally contact the employee's Department Head or supervisor at least fifteen minutes before the employee's scheduled starting time. The employee must indicate the reason for the absence and when the employee expects to return to work. Asking another person to call in on the employee's behalf is not permitted. Leaving a message on an answering device or with a co-worker is not permitted, unless otherwise authorized by departmental rules. Notification requirements may be waived in cases of emergency.

Unexcused Absences – Notification of an absence to an employee's Department Head does not automatically mean the absence is authorized. Any time off from work that is without approval of an employee's Department Head is considered an unexcused absence. An unexcused absence is without pay and may result in disciplinary action, up to and including termination.

Early Departure – In the event an employee must leave work during the workday, the employee must receive permission from the employee's Department Head prior to leaving.

Leaving the Premises – An employee must obtain prior approval from the employee's Department Head to leave an assigned worksite during working hours due to a non-work related reason. An employee who leaves an assigned worksite during the workday due to business reasons must notify the employee's supervisor in accordance with department policy.

Documentation of Absences – An employee may be required to provide appropriate documentation in justification of any absence. Documentation may include medical verification.

602 **Jury Duty Leave**

Jury Leave – In the event a full-time or part-time employee is required to perform jury duty on a day the employee is scheduled to work, the employee will receive paid jury duty leave. Such leave will not be subtracted from any of the employee's leave credits. An employee is obligated to notify the Commissioner of Jurors that the Town is paying the employee's full pay during jury duty. If the employee receives a jury stipend from the courts, such amount must be reimbursed to the Town. An employee can collect and keep any mileage or parking expense reimbursement that may be issued by the court system for performing jury duty.

Notification of Jury Duty – When an employee receives notice to report for jury duty, the employee must immediately submit a copy of the notice to the employee's Department Head.

Return to Duty – In the event the employee is released from jury duty on a given day and there are two or more hours remaining in the employee's scheduled workday, the employee must report to work. The employee will be allotted time to return home and prepare for work.

Accrual of Benefits – The Town will continue to provide health insurance benefits for an eligible employee during the jury leave. Vacation leave, sick leave and holiday benefits will continue to accrue during jury duty leave.

603 **Bereavement Leave**

Immediate Family – In the event of a death of a full-time employee’s immediate family member, the employee may take a paid leave of absence for up to three consecutive days from the employee’s regularly scheduled work. Such leave will not be subtracted from any of the employee’s leave credits.

Part-Time, Temporary, or Seasonal Employees – A part-time, temporary, or seasonal employee is not eligible for paid bereavement leave but may be allowed to take time-off without pay provided the employee has prior approval from the Department Head.

Definition of Immediate Family – For purpose of bereavement leave, “immediate family member” will mean the following:

- Spouse
- Parent
- Mother-in-law
- Daughter-in-law
- Grandparent
- The employee's same-sex committed partner* or the child, parent or other relative (categorized above) of the committed partner
- Child
- Sibling
- Father-in-law
- Son-in-law
- Grandchild

**Defined under NYS Civil Rights Law §79-n, same-sex committed partners are those who are financially and emotionally interdependent in a manner commonly presumed of spouses*

Extended Bereavement Leave – An employee may use vacation leave credits to extend a bereavement leave. The request must be submitted, in writing, to the employee’s Department Head at least two workdays in advance. The Department Head will have total discretion in the approval of an employee’s extended bereavement leave.

Funeral Leave (Extended Family) – In the event of a death of a full-time employee’s family member who is a relative not included in the definition of immediate family, the employee may take a paid leave of absence for one day from the employee’s regularly scheduled work to attend the funeral. Such leave will not be subtracted from any of the employee’s leave credits.

604 **Military Leave and Military Leave of Absence**

Military Leave (New York State Law) – This section refers only to a paid leave for military service under New York State Law and does not affect an employee’s entitlement to leave needed for military service under federal statute. The Town of Inlet recognizes the importance of the Military Reserve and National Guard, and will permit any employee the use of military leave to perform ordered military duty or required training. The Town will grant such leave with pay for up to twenty-two workdays or thirty calendar days in a calendar year, whichever is greater. Such military leave beyond the twenty-two workdays or thirty calendar days in a calendar year will be unpaid, however accumulated vacation leave may, at the employee’s option, be used at any time during the leave. In accordance with applicable New York State law, the employee may keep all pay received for military service.

Military Leave of Absence (Federal Law) – An unpaid leave of absence for a period of up to the federal statutory limits will be granted to an employee to serve in any of the Armed Forces of the United States. The employee’s accumulated vacation leave may, at the employee’s option, be used at any time during such leave of absence.

Leave For Military Spouses (New York State Law) – In accordance with NYS Labor Law §202-i, the Town will grant an unpaid leave of absence of up to ten days to an employee (who works an average of twenty hours per week) whose spouse is a member of the armed forces of the United States, National Guard, or reserves who has been deployed during a period of military conflict, to a combat theater or combat zone of operations. This leave shall only be used when the employee’s spouse is on leave from such deployment. This does not preclude the employee’s option to use available paid leave upon approval of the employee’s Department Head.

605 Leave for Cancer Screening

Policy – The Town of Inlet complies with New York State Civil Service Law §159-b which entitles all Town employees to paid leave to undertake screening for cancer. This leave will not be charged against any available leave with pay, sick, compensatory or other leave accruals. This does not preclude an employee's option to use other available paid leave for this same purpose.

Allowance – An employee will be allowed four hours of paid leave per year for the purpose of undergoing a screening procedure for breast cancer, and four hours of paid leave per year for the purpose of undergoing a screening procedure for prostate cancer (male employees only). Such paid leave will be accrued as of January 1 each year. If the employee does not exercise his/her rights to the leave, those hours are not carried forward to the next year. The allowed leave time may include the travel time to and from the appointment and any subsequent follow up consultation visits. In addition, the allowed leave may be staggered throughout the year until the maximum allowance has been reached.

Scheduling – An employee must receive prior approval from the employee's Department Head to take leave for this purpose. The request for leave should be submitted to the Department Head in writing a minimum of two days in advance. The Department Head will have total discretion in the approval of this leave, but will not unreasonably deny such request.

Documentation Requirements – If an employee applies for paid leave for a cancer screening procedure under this policy, documentation must be provided to the Department Head from the health care provider verifying that the absence from the workplace was for cancer screening. If an employee uses any other available leave for a cancer screening procedure, the provisions of the applicable leave policy (e.g. sick, personal, vacation, compensatory) will apply; there is no requirement in such a case to provide specific documentation regarding cancer screening.

606 Leave for Blood or Bone Marrow Donations

Policy – The Town of Inlet complies with New York State Labor Law §§202-a and 202-j which entitles Town employees who work an average of twenty hour or more, time off from work to donate blood and/or to undergo a medical procedure to donate bone marrow. This leave of absence will not be charged against any available sick, vacation, personal, compensatory or other leave accruals. The leave allowed under this policy is unpaid, however, this does not preclude an employee's option to use available paid leave for this same purpose.

Blood Donation Allowance – An employee may take unpaid leave of up to three work hours per year for blood donation. Such leave will be accrued as of January 1 each year. If the employee does not exercise his/her rights to this leave, those hours are not carried forward to the next year. The allowed leave may include the travel time to and from the appointment. The Town may require the employee to provide proof of blood donation.

Bone Marrow Donation Allowance – An employee may take unpaid leave to donate bone marrow as well as to recover from the procedure and for resulting medical care. The employee's physician will determine the amount of leave required by the employee. However, the leave may not exceed 24 work hours unless additional leave is agreed to by the Town. There is no limitation on how frequently an employee may take such leave. The Town may require the employee to provide proof of bone marrow donation.

Scheduling – An employee must receive prior approval from the employee's Department Head to take leave for this purpose. The request for leave should be submitted to the Department Head in writing a minimum of two days in advance. The Department Head will have total discretion in the approval of this leave, but will not unreasonably deny such request.

607 **Family and Medical Leave Policy**

Policy Statement – It is the policy of the Town of Inlet to grant a full-time employee a leave of absence without pay for a period of up to twelve weeks, under certain circumstances. If and when any employee meets the eligibility requirements under the *Family and Medical Leave Act*, the provisions of that Act will then take precedence over this policy.

Granting of Leave of Absence – The granting and duration of each leave of absence will be determined by the Town Board in conjunction with applicable federal and state laws, including Civil Service Law Sections 71, 72 and 73, as applicable, and the *Hamilton County Civil Service Rules*.

Types of Leave – The following types of leaves of absence will be considered:

- **Sick Leave of Absence** – Employees who are unable to work because of a serious health condition or disability may be granted a sick leave of absence. This type of leave includes disabilities caused by pregnancy, childbirth, or other related medical conditions. The Town requires certification of an employee's need for sick leave, both before the leave begins and on a periodic basis thereafter, by the employee's health care provider.

In addition to leave provided under this policy, employees may be eligible for a leave of absence pursuant to Civil Service Law Section 71. Section 71 provides that **covered** employees shall be entitled to a leave of absence for at least one cumulative year (unless found to be permanently disabled) when disabled due to an occupational injury or disease as defined in the Workers' Compensation Law. This leave runs concurrently with the designated Family and Medical Leave. Employee should consult with their Department Head for further details regarding this provision.

- **Parental Leave of Absence** – Female employees, when not disabled by pregnancy or childbirth (see above), and male employees may be granted a parental leave of absence to care for a child upon birth or upon placement for adoption or foster care.
- **Family Care Leave of Absence** – Employees may be granted a family care leave of absence for the purpose of caring for a child, spouse or parent who has a serious health condition. The Town requires certification of the family member's serious health condition, both before the leave begins and on a periodic basis, by the family member's health care provider.

Eligibility – To be eligible, an employee must meet the following requirements:

- The employee must have completed at least one year of full-time, continuous service during the previous twelve months prior to the date leave commences.
- Spouses who both work for the Town of Inlet are allowed a combined maximum of twelve workweeks of leave for the birth or care of a newborn child, adoption or foster care of a child and to care for such newly placed child, or the serious health condition of a child, spouse or parent, during any twelve month period.

Definitions – For the purpose of this policy, the following definitions will apply:

- **Serious Health Condition** will mean and refer to an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical care facility, or any subsequent treatment in connection with such inpatient care; or continuing treatment by a health care provider, including, but not limited to:
 - * A period of incapacity of more than three consecutive calendar days and any subsequent treatment or period of incapacity that also involves continuing treatment by a health care provider;
 - * A period of incapacity due to pregnancy or prenatal care;
 - * A period of incapacity or treatment for such incapacity due to a chronic serious health condition;
 - * A period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective; or
 - * A period of absence to receive multiple treatments, including any period of recovery, by a health care provider, or by a provider of health care services under orders of or on referral by a health care provider, for restorative surgery after an accident or other injury or for a condition that would likely result in a period of incapacity of more than three consecutive calendar days in the absence of medical intervention or treatment.
- **Health Care Provider** will mean and refer to a doctor of medicine or osteopathy who is authorized to practice medicine or surgery by the State in which the doctor practices; or any other person defined in the FMLA regulations capable of providing health care services.
- **Family Member** will mean and refer to:
 - * **Spouse** – husband or wife as defined or recognized under State law for purpose of marriage;
 - * **Parent** – biological parent or an individual who stands or stood in *loco parentis* to an employee when the employee was a child as defined directly below. This term does not include an employee's parents "in law".
 - * **Child** – biological, adopted or foster child, a stepchild, a legal ward, or a child of a person standing in *loco parentis*, who is either under age eighteen, or age eighteen or older and "incapable of self-care because of a mental or physical disability". Persons who are "*in loco parentis*" include those with day-to-day responsibilities to care for and financially support a child or, in the case of an employee, who had such responsibility for the employee when the employee was a child. A biological or legal relationship is not necessary.

Notification Requirements – If the need for leave is foreseeable, the employee must give notice, in writing, to the Department Head at least thirty calendar days prior to the commencement date of the unpaid leave. The employee and Department Head must complete the Leave of Absence Request Form and forward the completed form to the Town Supervisor's Office for review. The failure of an employee to give thirty days' notice of foreseeable leave with no reasonable excuse for the delay may result in the delay of the employee taking the leave until thirty days from the date of notice. When the need for leave is unforeseeable, verbal notice to the employer will be sufficient.

Status Reports – The employee must periodically update the Department Head as to the employee's status and intent to return to work.

Medical Certification – The employee must produce a medical certification issued by a health care provider which supports the need for a leave under this policy. When required, the employee must provide a copy before the leave begins, or if the leave was unforeseeable, no later than fifteen calendar days from the date the certification was requested. Failure to submit medical certification may jeopardize the employee's eligibility for an unpaid leave of absence and/or the ability to return to work. The medical certification must include:

- The date the medical condition began;
- The probable duration of the medical condition;
- Pertinent medical facts; and,
- An assertion that the employee is unable to perform the employee's essential job functions or that the employee is needed to care for a family member for a specified period of time.

The Town of Inlet reserves the right to request a second opinion by another health care provider. The Town will pay for the second opinion. In the event a conflict occurs between the first and second opinion, the Town may, again at its own expense, obtain a third opinion from a health care provider approved jointly by the Town and the employee. This third opinion will be final and binding.

Leave for the Birth, Adoption or Foster Care Placement of a Child – Leave for the birth of a child or the placement of a child for adoption or foster care must conclude within twelve months from the date of the birth or placement.

Certification for Adoption/Foster Care – An employee must produce proper certification from the appropriate agency for an unpaid leave for the adoption or foster care of a child.

Employment Restrictions During Leave of Absence – While on a leave of absence, an employee may not be employed by another employer during the same hours that the employee was normally scheduled to work for the Town of Inlet.

Benefits During a Leave of Absence – For the purpose of this policy, the following will apply:

- **Use of Accrued Paid Leave Credits** – An employee taking leave for the **birth, adoption or foster placement of a child or to care for a spouse, child or parent with a serious health condition** must first use all vacation leave credits which will be included in the maximum twelve weeks of leave. The substitution of paid leave for unpaid leave for these types of leave does not extend the twelve-week period.

For leaves taken due to the **employee's own serious health condition**, the employee must first use all sick leave and vacation leave credits, which will be included in the maximum twelve weeks of leave. However, in the event that the paid leave credits available are greater than the maximum twelve-week period, an employee may use paid leave credits to extend the leave of absence beyond the twelve-week period, **up to a maximum of one year**. If, after the completion of the one-year leave of absence, the employee is medically unable to return to work (as determined by a health care provider) and the employee has leave credits remaining, the Town Board may authorize an extension of the employee's leave of absence until such benefits are exhausted. However, **job reinstatement** beyond the one-year leave of absence **is not automatic** and will be dependent upon job availability, in accordance with Civil Service Law Sections 71, 72 and 73, as applicable, and the *Hamilton County Civil Service Rules*.

- **Accrual of Paid Leave Credits** – An employee will continue to accrue vacation and sick leave and receive holiday pay during the portion of the leave that is paid. **Paid leave is defined as leave during which the employee continues to use accumulated paid vacation and sick leave.** After all such paid leave is exhausted, the remaining leave of absence is unpaid. An employee will not earn paid vacation or sick leave or receive holiday pay for any holidays that may occur during an unpaid leave of absence.
- **Medical Insurance** – During the period of authorized leave under this policy, up to a maximum of twelve weeks, an employee's eligibility status for medical insurance coverage will not change. All employee contributions (if any) must be paid on a timely basis in order to maintain the continuous coverage of benefits. Contributions will be at the same level as if the employee was working. Coverage will cease if payments are not made within a thirty-calendar day grace period of the due date. Premium payments or policy coverage are subject to change. In the event the employee fails to return to work after the maximum twelve week period of leave under this policy has been exhausted, the employee may continue coverage with responsibility for payment of the full premium amount under COBRA provisions (see Section 808.) In addition, the Town may recover the premium that it paid for maintaining the coverage during any period of the unpaid leave except for the following circumstances:
 - * The continuation, recurrence, or onset of a serious health condition of the employee or the employee's eligible family member with proper medical certification; or,
 - * Circumstances beyond the employee's control, such as: parent chooses to stay home with a newborn child who has a serious health condition; employee's spouse is unexpectedly transferred to a job location more than 75 miles from the employee's work-site; the employee is laid off while on leave.

Return to Work – The following conditions for returning to work will apply:

- **Job Restoration** – At the conclusion of the leave of absence, (except for leaves beyond a one-year period) the employee, provided that the employee returns to work immediately following such leave, will be restored to the position the employee held when the leave began, or an equivalent position with equivalent benefits, pay and working conditions. For an authorized leave of absence beyond the one-year period, job restoration will be dependent upon job availability, in accordance with Civil Service Law Sections 71, 72 and 73, as applicable, and the *Hamilton County Civil Service Rules*.
- **Medical Statement** – Before resuming employment, an employee must submit a statement from the employee's health care provider indicating that the employee is able to return to work either with or without restrictions. The Town reserves the right to have the employee examined by a physician selected and paid for by the Town to determine the employee's fitness to return to work either with or without restrictions. Failure to return to work when required may be considered a voluntary termination.
- **Early Return** – An employee who intends to return to work earlier than anticipated must notify the Department Head at least five business days prior to the date the employee is able to return. The Department Head shall in turn notify the Town Supervisor.
- **Extension of Unpaid Leave of Absence** – An employee who wants an extension of the leave previously requested must notify the employee's Department Head at least two business days from the date the change occurred which necessitates the change in leave time. The Town Board reserves the right to approve all leave extensions.

Statement of Compliance – The Town of Inlet complies with the provisions of the Family and Medical Leave Act (FMLA). **The Town of Inlet currently does not employ fifty or more employees per year. Therefore, Town employees are not presently eligible for leave under the FMLA.** If at some point the Town of Inlet should employ fifty or more employees in the current or preceding year, eligible employees will be afforded leave in compliance with FMLA.

608 Volunteer Firefighters / Emergency Responders

Policy – In the event an employee is called upon to perform volunteer duties as a firefighter or emergency responder on a day the employee is scheduled to work, the employee will receive paid leave to perform such duties if so authorized. The employee may not leave the workplace until it has been approved by the appropriate supervisor. The paid leave is limited to the extent of the employee's regular work schedule. Such leave will not be subtracted from any of the employee's leave credits. Time spent by the employee performing such duties, including driving to and from the scene, will not be included as time worked for purposes of computing overtime. The employee is required to return to the worksite upon completion of the emergency call, unless such call ends after the end of the employee's scheduled work shift.

Documentation Requirements – The employee must account for all time spent responding to emergency calls on the employee's time sheet, including the time the employee left and returned to the worksite. The employee may be required to submit verification of the employee's attendance at such call.

Responding to Calls During Paid Leave – If the employee is on a paid leave from the Town (i.e. vacation, holiday, sick, personal, etc.) and the employee responds to a call, the employee will not receive additional compensation from the Town and the employee's appropriate leave time will still be charged.

700 COMPENSATION

701 *Wage and Salary*

Rate of Pay – An employee’s rate of pay will be established by the Town Board.

Merit Increases – An employee may receive a pay increase based upon the employee’s past performance. The merit increase will be granted at the discretion of the Town Board.

702 *Overtime / Compensatory Time*

Authorization – A Department Head may require an employee to work additional hours beyond the employee’s normal workday and workweek. An employee must receive prior approval from the employee’s Department Head or supervisor before working additional hours.

FLSA Exempt Employees – In accordance with the Fair Labor Standards Act, a FLSA exempt employee will not be paid for overtime nor receive “compensatory time” for any hours worked in excess of the employee’s normal workday or workweek.

FLSA Non-Exempt Employees – A FLSA non-exempt employee will be paid one and one-half times the employee’s regular hourly rate of pay for all authorized time worked over forty hours in a given workweek.

Compensatory Time – A non-exempt employee will have the option of receiving “compensatory time” in lieu of paid overtime. When a non-exempt employee chooses to receive compensatory time, the employee will be credited with the equivalent of one and one-half hours for all authorized time worked over forty hours in a given workweek. An employee may accumulate up to forty-five hours in compensatory time credits. In the event an employee accrues more than forty-five compensatory time credits, the employee must either use the excess compensatory leave credits within the pay-period in which it is earned or take paid overtime. Changes in Status – Employees whose status changes from full-time to part-time are notified of the changes to their Town benefits. This notification contains all legally mandated information regarding applicable benefits, including COBRA health insurance continuation. An employee must immediately notify the Bookkeeper to Supervisor in the event that the employee has a change in marital or family status that may affect coverage, such as marriage, divorce, legal separation, death of a spouse or dependent, acquiring or losing a dependent, changes in address.

Beneficiary – Under some of the Town's benefit plans, each employee must designate a beneficiary for the employee's death benefits. This designation must be made in writing and on the form provided by the plan Administrator.

Coverage – The Town currently provides medical insurance coverage to an eligible full-time employee or Elected Official who retires from the Town. Coverage is also currently available for eligible dependents (includes spouse) if they were covered under the Town's medical insurance plan at the employee's date of retirement. In the event the retiree predeceases the dependents, the dependents may continue medical insurance coverage provided they pay the full cost of the premium. Coverage of dependents will cease at the time of divorce or legal separation, however the dependents may continue coverage entirely at their own expense or in accordance with plan documents and COBRA requirements.

Period of Coverage – COBRA coverage is in effect for a period of up to **thirty-six months**, following any qualifying event. The COBRA requirements do not put any limit on the number of times a qualified beneficiary may be entitled to COBRA continuation coverage.

Qualifying Events – If a qualified beneficiary loses coverage under a group health plan as a result of a “qualifying event,” the qualified beneficiary is entitled by COBRA to the continuation of group health insurance coverage at the qualified beneficiary’s own expense. Any of the following circumstances are considered to be qualifying events:

Change in Beneficiary Status – An employee or Elected Official must notify the Town within sixty calendar days of a legal separation or divorce or when a dependent is no longer eligible for insurance due to the age limitations or educational status requirements established by the insurance plan. The Town will not be responsible for any loss of coverage resulting from failure by the employee or Elected Official to give notification of such an event.

Enrollment Information – The Bookkeeper to Supervisor will provide the employee or Elected Official with the enrollment forms and assist with the administrative and operational aspects of COBRA. **Enrollment is not automatic. 900 COMPLIANCE POLICIES

901 *Equal Employment Opportunity*

Policy Statement – The Town of Inlet is an Equal Opportunity Employer. The Town does not unlawfully discriminate on the basis of race, religion, color, sex, age, national origin, citizenship, disability, marital status, pregnancy, application to or present membership in the uniformed services, veteran status, arrest or conviction record, genetic information, predisposition or carrier status, sexual orientation, domestic violence victim status, or any other protected class or status. Likewise, the Town prohibits employees, Elected Officials, vendors, suppliers, visitors, customers, and any other non-employee from discriminating against Town employees based on these protected groups. Discrimination based on any of the above is strictly prohibited. This policy applies to all terms and conditions of employment, including, but not limited to, hiring, placement, compensation, promotion, transfer, training, leave of absence, and termination.

Notification of Policy Violations – An employee should immediately report any perceived violation of this policy to the employee's Department Head. In the event the employee is unable to discuss this matter with the Department Head, the complaint should be reported in writing to the Town Supervisor or any member of the Town Board. All complaints of discrimination will be investigated discreetly and promptly. This procedure is not intended to restrict an individual's rights to make a complaint to a federal or state agency. An employee who reports discrimination will not suffer adverse employment consequences as a result of making the complaint.

Prohibition Against Retaliation – Retaliation against any employee who brings a written or verbal complaint of discrimination or who assists or participates in the investigation of such a complaint is strictly prohibited. The Town will not tolerate or permit adverse treatment of employees because they report discrimination or provide information related to such complaints, or who otherwise oppose an unlawful employment practice. Any employee who participates in the procedure may do so without fear of retaliation. Violations of this policy may result in disciplinary action up to and including termination of employment.

Application of Policy – This policy is for Town use only and does not apply in any criminal or civil proceeding. This policy shall not be construed as a creation of higher legal standard of safety or care in an evidential sense with respect to third party claims. Violations of this policy will only form the basis for Town administrative action. Violations of law will form the basis for civil and criminal sanctions in a recognized judicial setting.

902 *The Americans with Disabilities Act*

All employment practices, such as recruitment, hiring, promotion, demotion, layoff and return from layoff, compensation, job assignments, job classifications, paid or unpaid leave, fringe benefits, training, employer-sponsored activities, including recreational or social programs, will be conducted so as not to discriminate unlawfully against persons with disabilities. This also extends to prohibit unlawful discrimination based on a person's relationship or association with a disabled individual. Qualified individuals with disabilities are entitled to equal pay and other forms of compensation (or changes in compensation) along with work assignments, classifications, seniority, leave, and all other forms of employment compensation or advantage.

Reasonable Accommodation – Reasonable accommodation is available to all qualified employees and applicants with disabilities, unless it imposes an undue hardship on the Town and/or operations of a program. The Town may require medical documentation or other information necessary to verify the existence of the disability and the need for accommodation. Following receipt of an accommodation request, the Town will meet with the requestor to discuss and identify the precise limitations resulting from the disability and the potential accommodation(s) that the Town might make to help overcome those limitations.

The Town will determine the feasibility of the requested accommodation considering various factors, including, but not limited to the nature and cost of the accommodations(s), and the accommodation's impact on Town operations.

Pre-Employment Inquiries – Pre-employment inquiries are made only regarding an applicant's ability to perform the duties of the position and not any disabling condition. Notification of Policy Violations – An employee should immediately report any perceived violation of this policy to the employee's Department Head. In the event the employee is unable to discuss this matter with the Department Head, the complaint should be reported in writing to the Town Supervisor or any member of the Town Board. All complaints of possible violations will be investigated discreetly and promptly. An employee who reports a possible violation will not suffer adverse employment consequences as a result of making the complaint. This procedure is not intended to restrict an individual's rights to make a complaint to a federal or state agency.

Application of Policy – This policy is for Town use only and does not apply in any criminal or civil proceeding. This policy shall not be construed as a creation of higher legal standard of safety or care in an evidential sense with respect to third party claims. Unlawful discrimination based on membership in these categories is prohibited by applicable federal, state, or local laws. This policy applies to all terms and conditions of employment, including, but not limited to, hiring, placement, assignments, compensation, promotion, transfer, training, leave of absence, and termination.

Definition of Sexual Harassment – This policy places special attention on the prohibition of sexual harassment in the workplace.

Sexual harassment is a form of sex discrimination and is unlawful under federal, state, and (where applicable) local law. Sexual harassment includes harassment on the basis of sex, sexual orientation, self-identified or perceived sex, gender expression, gender identity and the status of being transgender.

Sexual harassment includes unwelcome conduct which is either of a sexual nature, or which is directed at an individual because of that individual's sex when:

- Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment, even if the reporting individual is not the intended target of the sexual harassment;
- Such conduct is made either explicitly or implicitly a term or condition of employment; or
- Submission to or rejection of such conduct is used as the basis for employment decisions affecting an individual's employment.

A sexually harassing hostile work environment includes, but is not limited to, words, signs, jokes, pranks, intimidation or physical violence which are of a sexual nature, or which are directed at an individual because of that individual's sex. Sexual harassment also consists of any unwanted verbal or physical advances, sexually explicit derogatory statements or sexually discriminatory remarks made by someone which are offensive or objectionable to the recipient, which cause the recipient discomfort or humiliation, or which interfere with the recipient's job performance.

Sexual harassment also occurs when a person in authority tries to trade job benefits for sexual favors. This can include hiring, promotion, continued employment or any other terms, conditions or privileges of employment. This is also called "quid pro quo" harassment.

Any employee who feels harassed should report so that any violation of this policy can be corrected promptly. Any harassing conduct, even a single incident, can be addressed under this policy.

Examples of Sexual Harassment - The following describes some of the types of acts that may be unlawful sexual harassment and that are strictly prohibited:

- Physical acts of a sexual nature, such as:
 - Touching, pinching, patting, kissing, hugging, grabbing, brushing against another employee's body or poking another employee's body;
 - Rape, sexual battery, molestation or attempts to commit these assaults.
- Unwanted sexual advances or propositions, such as:
 - Requests for sexual favors accompanied by implied or overt threats concerning the target's job performance evaluation, a promotion or other job benefits or detriments;
 - Subtle or obvious pressure for unwelcome sexual activities.
- Sexually oriented gestures, noises, remarks or jokes, or comments about a person's sexuality or sexual experience, which create a hostile work environment.
- Sex stereotyping occurs when conduct or personality traits are considered inappropriate simply because they may not conform to other people's ideas or perceptions about how individuals of a particular sex should act or look.
- Sexual or discriminatory displays or publications anywhere in the workplace, such as:
 - Displaying pictures, posters, calendars, graffiti, objects, promotional material, reading materials or other materials that are sexually demeaning or pornographic. This includes such sexual displays on workplace computers or cell phones and sharing such displays while in the workplace.
- Hostile actions taken against an individual because of that individual's sex, sexual orientation, gender identity and the status of being transgender, such as:
 - Interfering with, destroying or damaging a person's workstation, tools or equipment, or otherwise interfering with the individual's ability to perform the job;
 - Sabotaging an individual's work;
 - Bullying, yelling, name-calling.

Prohibition Against Retaliation – Unlawful retaliation can be any action that could discourage an employee from coming forward to make or support a claim of discrimination or harassment, including sexual harassment. Adverse action need not be job-related or occur in the workplace to constitute unlawful retaliation (e.g., threats of physical violence outside of work hours).

Unlawful retaliation against any employee who has engaged in "protected activity" is strictly prohibited by this policy as well as (where applicable) federal, state, and local law. Protected activity occurs when a person has:

- made a complaint of harassment or discrimination, either internally or with any anti-discrimination agency;

- opposed harassment or discrimination by making a verbal or informal complaint to management, or by simply informing a supervisor or management of harassment or discrimination;
- reported that another employee has been subjected to harassment or discrimination;
- encouraged a fellow employee to report harassment or discrimination;
- participated in a workplace investigation regarding harassment or discrimination;
- testified or assisted in a proceeding involving harassment or discrimination under the Human Rights Law or other anti-discrimination laws.

Even if the alleged discrimination or harassment does not turn out to rise to the level of a violation of law, the individual is protected from retaliation if the person had a good faith belief that the practices were unlawful. However, the retaliation provision is not intended to protect persons making intentionally false charges of discrimination or harassment.

Reporting of Discrimination and Harassment (including Sexual Harassment) –

Reports of alleged discrimination and/or harassment (including sexual harassment) or retaliation may be made verbally or in writing. A form for the submission of a written complaint is attached to this policy and individuals are encouraged to use this form. If an individual chooses to submit a verbal complaint, such complaint will be recorded by the receiver of this complaint on this form. Employees are encouraged to report incidents of discrimination, harassment (including sexual harassment), or retaliation to their Department Head and/or the Town Supervisor as soon as possible after their occurrence. If the employee's Department Head is believed to be involved in the incident, or if the employee is not comfortable in addressing the incident with the Department Head, the report should be made directly to the Town Supervisor. If the Town Supervisor is believed to be involved in the incident or the employee is not comfortable reporting the incident to the Town Supervisor, the employee should report the incident to a member of the Town Board. Employees who believe they have been discriminated against or harassed and would like to obtain guidance as to how to proceed in filing a complaint, should contact their immediate supervisor, their Department Head, the Town Supervisor, or any member of the Town Board. Employees who work during off-hours are encouraged to contact their supervisor, their Department Head, the Town Supervisor, or any member of the Town Board at home if these individuals do not work during the employee's shift. Non-employees are encouraged to report incidents of alleged discrimination and harassment (including sexual harassment) to either the Department Head of the department where services are being provided, the Town Supervisor, or a member of the Town Board.

Supervisory Responsibility –

Supervisory personnel must make every effort to ensure a work environment that is free from discrimination and harassment, including sexual harassment. Any Department Head or supervisor who receives a complaint or information about suspected prohibited activity (as outlined above), observes behavior that may constitute prohibited activity, or for any reason suspects that prohibited activity is occurring, is required to report such suspected prohibited activity to the Town Supervisor, or any member of the Town Board.

In addition to being subject to corrective action or discipline if they engaged in prohibited activity themselves, supervisory personnel will be subject to discipline for failing to report suspected prohibited activity or otherwise knowingly allowing prohibited activity to continue.

Supervisory personnel will also be subject to corrective action or discipline for engaging in any form of retaliation prohibited by this policy.

Investigation of Complaint – The Town Supervisor, in consultation with the Town Board, will determine the appropriate individual(s) to conduct the investigation. All complaints pursuant to this policy, whether reported in verbal or written form, will be investigated promptly, thoroughly, and in as impartial a manner as possible. The investigation will normally include conferring with the parties involved and any named or apparent witnesses. All employees are required to cooperate in an investigation, if so directed. All persons involved, including complainants, witnesses and alleged perpetrators will be accorded due process to protect their rights to a fair and impartial investigation. All relevant materials, including all electronic communications, documents, emails or phone records that are relevant to the allegations will also be considered. A written report will be prepared documenting the results of the investigation. The individual who reported the complaint and the individual about whom the complaint was made will be notified of the final determination.

Confidentiality – Complaints of discrimination and harassment, including sexual harassment, will be handled and investigated promptly and in a manner that is as impartial and confidential as possible. In no event will information concerning a complaint be released by the Town to third parties or to anyone within the Town employment who is not directly involved in the investigation or handling of the complaint unless otherwise required by law.

Corrective Action and Discipline – Any employee who is found to have violated any aspect of this policy will be subject to corrective or disciplinary action, up to and including termination of employment, as provided by Town operating procedures, including Civil Service Law Section 75. Any Elected Official who violates this policy will be subject to remedial action as provided for and/or allowed under NYS Public Officers Law, as well as any other applicable statutes. Any vendor, supplier, visitor, customer, or other non-employee who violates this policy will be subject to remedial action, to the extent that the Town is empowered to take such action.

Legal Protections and External Remedies – Nothing in this policy should be construed as in any way limiting employees' rights to file a formal complaint with the appropriate state or federal agencies responsible for administering anti-discrimination laws. Complainants should be aware that time restrictions may apply and need to be considered. Harassment (including sexual harassment) is not only prohibited by Town policy but is also prohibited by federal, state, and (where applicable) local law. Aside from the Town's internal process, employees may also choose to pursue legal remedies with the following governmental entities at any time.

New York State Division of Human Rights (DHR)

The Human Rights Law (HRL) applies to employers in New York State with regard to harassment and protects employees and non-employees regardless of immigration status. A complaint alleging violation of the Human Rights Law may be filed either with DHR or in New York State Supreme Court. Complaints with DHR may be filed any time within one year of the harassment. If an individual did not file at DHR, they can sue directly in state court under the HRL, within three years of the alleged discrimination. An individual may not file with DHR if they have already filed an HRL complaint in state court. Filing an internal complaint with the Town does not extend the time limits to file with DHR or in court. The one year or three years is counted from date of the most recent incident of harassment. An

attorney is not needed to file a complaint with DHR, and there is no cost to file with DHR. DHR will investigate the complaint and determine whether there is probable cause to believe that discrimination has occurred. Probable cause cases are forwarded to a public hearing before an administrative law judge. If discrimination is found after a hearing, DHR has the power to award relief, which varies but may include requiring the Town to take action to stop the harassment, or redress the damage caused, including paying monetary damages, attorney's fees and civil fines.

DHR's main office contact information is: NYS Division of Human Rights, One Fordham Plaza, Fourth Floor, Bronx, New York 10458, (718) 741-8400. Contact DHR at (888) 392-3644 or visit dhr.ny.gov/complaint for more information about filing a complaint. The website has a complaint form that can be downloaded, filled out, notarized and mailed to DHR. The website also contains contact information for DHR's regional offices across New York State.

United States Equal Employment Opportunity Commission (EEOC)

The EEOC enforces federal anti-discrimination laws, including Title VII of the 1964 federal Civil Rights Act (codified as 42 U.S.C. § 2000e et seq.). An individual can file a complaint with the EEOC anytime within 300 days from the harassment. There is no cost to file a complaint with the EEOC. The EEOC will investigate the complaint and determine whether there is reasonable cause to believe that discrimination has occurred, at which point the EEOC will issue a Right to Sue letter permitting the individual to file a complaint in federal court. The EEOC does not hold hearings or award relief but may take other action including pursuing cases in federal court on behalf of complaining parties. Federal courts may award remedies if discrimination is found to have occurred. If an employee believes that he/she has been discriminated against at work, he/she can file a "Charge of Discrimination." The EEOC has district, area, and field offices where complaints can be filed. Contact the EEOC by calling 1-800-669-4000 (1-800-669-6820 (TTY)), visiting their website at www.eeoc.gov or via email at info@eeoc.gov. If an individual filed an administrative complaint with DHR, DHR will file the complaint with the EEOC to preserve the right to proceed in federal court.

Local Protections

Many localities enforce laws protecting individuals from sexual harassment and discrimination. An individual should contact the county, city or town in which they live to find out if such a law exists.

Contact the Inlet Police Department

If the harassment involves physical touching, coerced physical confinement or coerced sex acts, the conduct may constitute a crime. Contact the Inlet Police Department.

1105 Reporting of Improper Activities

Policy Statement – Any employee who witnesses or becomes aware of an inappropriate action, improper financial circumstance, inappropriate use of Town funds or property, safety issue, or other matter that appears to be improper, should immediately make his or her Department Head or supervisor, the Town Supervisor, or any Town Board member aware of the issue. When an imminent and serious danger to public health or safety exists, an employee may see fit to immediately report violations to law enforcement or other applicable governing body. Even if you are in doubt about what you witnessed or were made aware of you should report the matter.

Retaliation – Under Section 75-B of New York State Civil Service Law, New York State Public Sector Whistleblower Law, an employee, who in good faith, discloses to a governmental body information regarding a violation of law, a substantial and specific danger to the public health or safety, or an improper governmental action which the employee reasonably believes to be true, shall be protected from any adverse personnel action including, but not limited to: termination, disciplinary action, or changes in compensation. Any Town employee or officer who commits or condones any form of retaliation against anyone who in good faith reports alleged misconduct will be subject to discipline up to, and including, termination.

1200 DISPUTE RESOLUTION

1201 *Dispute Resolution Procedure*

Policy Statement – The Town Board has established a set of procedures to provide for the orderly resolution of differences at the earliest possible stage and to promote a harmonious and cooperative relationship between employees, Department Heads and members of the Town Board which will enhance the overall operation of the Town. The Town will attempt to resolve all work-related complaints that are appropriate for handling under this policy.

Definition of Dispute – For the purpose of this Employee Handbook, a “dispute” will mean a claimed violation, misinterpretation or inequitable application of any of the provisions of this Employee Handbook. In addition, the term “dispute” shall not apply to any matter as to which the Town is without authority to act. A few examples of matters that may be considered appropriate disputes under this policy include:

- A belief that Town policies, practices, rules, regulations, or procedures have been applied in a manner detrimental to an employee.
- Improper or unfair administration of employee benefits or conditions of employment such as scheduling, vacations, fringe benefits, promotions, retirement, holidays, salary, or seniority.

Step One – An employee who claims to have a dispute may present the dispute to the employee’s Department Head. The dispute must be submitted, in writing, within seven working days following knowledge of the event(s) which caused the dispute or when the employee should have had knowledge. The dispute will specify the date of submission, the name of the aggrieved employee, the date the dispute arose, the nature of the dispute, the provision of the Employee Handbook that was allegedly violated and a statement of facts, times, dates, and the remedy sought.

Within seven working days after receiving the dispute, the employee’s Department Head will meet with the employee to discuss and attempt to resolve the matter.

Step Two – In the event the informal dispute is not resolved at Step One, or the employee reasonably believes that the employee cannot present the dispute to the employee’s Department Head, the employee may submit the matter to the Town Supervisor. The dispute must be submitted, in writing, within seven working days from receiving the Step One response, or when the response should have been received or if Step One is not utilized for the above reason, within seven working days following knowledge of the event(s) which caused the dispute or when the employee should have had knowledge.

Within seven working days after receiving the dispute, the Town Supervisor will meet with the employee to discuss and attempt to resolve the matter. Within seven working days from the meeting, the Town Supervisor will issue a written response.

Step Three – In the event the employee is not satisfied with the response at Step Two, the employee may submit the matter to the full Town Board by filing a Request for Hearing with the Town Clerk. The Request for Hearing must be submitted, in writing, within seven working days from receiving the Step Two response, or when the response should have been received. The Request for Hearing will include a written statement of the dispute as outlined in Step One of this Procedure.

The Town Board will set the time and place for the hearing. All decisions rendered by the Town Board will be final and binding.

Time Limits – The employee must adhere to the time limits set forth in this dispute procedure. In the event the employee does not advance the dispute to the next step within the established time limit, the dispute will be considered withdrawn and no further appeal will be accepted. The time limits may be extended by mutual agreement provided the extension is in writing, dated and signed by the employee and the person who is to receive the dispute.

Final Decisions – Final decisions on disputes will not be precedent-setting or binding on future disputes unless they are stated as official Town policy.

Proper Use of Dispute Resolution Procedure – Employees will not be penalized for proper use of the dispute resolution procedure. However, it is not considered proper use if an employee raises a dispute in bad faith or solely for the purposes of delay or harassment, or repeatedly raises meritless disputes. Implementation of the dispute procedure by an employee does not limit the right of the Town to proceed with any disciplinary action that is not in retaliation for the use of this procedure.

Refusal to Proceed with Dispute – The Town Board may, at its discretion, refuse to proceed with any dispute it determines is improper or baseless under this policy.
