Boat trailers are not allowed on the private drive, nor are they to be left in the Arrowhead parking lot. Please park your vehicles accordingly. Trailers may be parked at the boat launch, Fern Park or the Inlet highway garage. Please make sure to tell someone at the town hall where your trailer is being left so the police department can be notified.

Please do not move the furniture!!!

Cottages will be cleaned prior to your arrival. We would appreciate you cleaning up (sweeping of floors, wiping out refrigerator, bathroom) before

leaving the cottage. This will make preparing for the next guest easier and faster. Items will be left to help with this task.

Trash should be placed in the proper containers **by 3:00 p.m.** everyday for the Parks department to pickup. Please make sure all recyclable cans, plastic and glass are put in the proper container. All trash and garbage can go together. We appreciate your help in this matter as this may help in keeping the bears away.

Upon receipt of your deposit, reservations will be confirmed and you will be notified by mail. In the event you need to cancel, we would appreciate as much notice as you can provide us. Refunds will be mailed if the cottage becomes rented ONLY. All attempts will be made to fill the vacancy should you cancel in enough time to find someone.

PETS ARE NOT PERMITTED IN ANY COTTAGE.

Alcohol is not permitted on the baseball field, in the playground or on the beach. Please limit you alcohol consumption to within your cottage.
