Fern Park

Lynn Durkin stated that the Fern Park Master Plan Committee has a document ready that will be presented to the Inlet Town Board during their next regular monthly meeting on June 8. She explained that the document included information collected from an online survey that was open for two years. She also talked about how many positive things started happening in Fern Park once the committee started getting together.

Codes & Zoning

Aimee VanWie stated that her office continues to be busy. She stated that the price of lumber and the difficulty of getting supplies has slowed some construction down. The codes enforcement officer's report can be found online at www.townofinlet.org.

Codes and Zoning Update

Dave shared a draft local law regarding short term rentals sent from Calli Law. He stated that even though this was not what had been asked for, there might be some useful information for what this group has been working on. Dave suggested that the board read through this draft and be prepared to discuss this at next month's meeting.
