PUBLIC COMMENT –

LIVING ADK – Robin Hill updated the Board regarding the mobile integrated health program. Still working with Midstate EMS for the pilot program. Also working with insurance companies and Smullen, Tedisco and Stefanik for letters of support. Conversation followed about losing Tedisco with the re-districting that is taking place. PARKS DEPARTMENT – Park's Supervisor, Mike Bartolotti reported that he has been meeting with Dan at Living ADK for different grant options. Recently looking into the T-Mobile Hometown Grant for possibly \$50,000. It would not require matching. Would like to see it used for a new playground in Arrowhead. Bartolotti has handouts of ideas for the playground if anyone would like to approve. The equipment is approved by insurance companies.

TRACKS FOR SIDE BY SIDE – Mike Bartolotti reported that the tracks would \$5,800 and it would cost another \$8,000 for a cab kit and heater. The vehicle doesn't have power steering, therefore, it won't work with tracks, it would max out the vehicle. Discussion followed regarding ideas on equipment needs for grooming.

WATER PUMP – RESOLUTION #22.12 Mike asked for permission to purchase a new pump and waterline for Arrowhead. It has been spliced too many times. They will keep the current pump for the backup. Councilmen asked some questions. Bartolotti stated that the Inlet Fire Department is donating the old fire hose to sleeve the line. Cost of the line approx. \$675 and pump \$724.
