Key information will be sent in your confirmation email.

Furnishing provided: Dishes, silverware, pots/pans, toaster, microwave, coffee pots

Guests provide: Linens, blankets, towels and extra cooking equipment such as crockpots, grills, clear trash bags, toilet paper, paper towels, soap, etc.

Parking is accessible by the private drive behind the cottages. Limit vehicles to 2 each for Cottages #2 and #3. Cottage #1 may have 3 cars parked there. All others please use the Arrowhead parking lot.

Boat trailers are not allowed on the private drive, nor are they to be left in the Arrowhead parking lot. Please park your vehicles accordingly. Trailers may be parked at Fern Park or the Inlet highway garage. Please make sure to tell someone at the town hall where your trailer is being left so the police department can be notified.

Please do not move the furniture!!! We recently refinished the floors, so this is very important.

Cottages will be cleaned prior to your arrival, however, we do not charge a cleaning fee, therefore, if the cleaning was not done to your expectations, we will NOT refund any money. Please notify me and I will have someone clean to your liking. We would appreciate you cleaning up (sweeping of floors, wiping out refrigerator, bathroom) before leaving the cottage. This will make preparing for the next guest easier and faster. Items will be left to help with this task.

Trash should be placed in the proper containers **by 12:00 p.m.** everyday for the Parks Department to pick up. Please make sure all recyclable cans, plastic and glass are separated. All trash and garbage can go together in CLEAR garbage bags. We appreciate your help in this matter as this may help in keeping the bears away.

Upon receipt of your deposit, reservations will be confirmed and you will be notified by email. In the event you need to cancel, we would appreciate as much notice as you can provide us. If we are unable to rent the cottage, your deposit will be forfeited.

PETS ARE NOT PERMITTED IN ANY COTTAGE. Smoking is not permitted inside any of the cottages.

Alcohol and marijuana are not permitted on the baseball field, in the playground or on the beach. Please limit your alcohol consumption to within your cottage.
